General and Revenue Secretariat — Mdl — File No — of 1941/42 — [App F III-2

Serial No

From the Mdl Commr, Dsctg. thro Dos No A2 705/41/42 — Dt 12-1-42

Requests that a new work to the extent of Rs 16,000/- may be entrusted to Mr V Ramachendra Rao, Contractor, at the estimated rates in the newly formed layout near the Swimming Pond, Mallesswaram to make up the loss sustained by him now and the stoppage of the work relating to the construction of the Market at Mallesswaram

4188 D o No A 2705 dt 12/1/42 from the Mdl Commr giving his views on the Mdl Cls application

The Construction of the Market at Malleswaram was given to the Contractor Messrs V Ramachandra Rao & V Ranganda Rao for Rs 10,006-8-0 & the contractor has done the work to the extent of Rs 2756 after collecting the necessary materials required for completing the work. While the work was in progress the authorities of Sri Venugopalaswamy Temple requested the Mdl to hand over the site with the foundation already laid thereon for a price not exceeding Rs 2500/-, to the temple for being used for its upkeep & for the preservation of sanctity, cleanliness etc, necessary in the neighbourhood of a religious Institution

The Mdl Cl have resolved that the land would

File No of 1941/42 — General and Revenue Secretariat

Serial No

be given to the temple provided the temple authorities deposited Rs 2756 towards the full cost of the work.

2 In the meanwhile, on the representation of Mr V Ramachendra Rao, the mcl have resolved to entrust the work to the extent of Rs 16,000 to him at the estimated rates in the newly formed layout near the Swimming pool, Malleswaram with a view to make up the loss sustained by the Contractor in having stopped the work relating to the construction of the Market at Malleswaram.

3 There are also several petitions from the public to the effect that though they have deposited the amount towards the value of the sites near the Swimming Pool, sites have not been allotted to them etc,

4 The mcl Commr in his Do letter "E" No ~~4788~~ A2 705/41-42 dt 12-1-42 has brought to the notice of Govt that the question of handing over the site to the temple authorities has not yet been settled & that if tenders are called for, the mcl will be benefitted to the extent of 4 to 5 thousand Rupees Submitted for orders.

MB 20/1

General and Revenue Secretariat | File No. 4711/1 of 191 | [App F III—2

Serial No

As pointed out by the M.L. Commr, the Reduction of the M.Cty is open to question on two important grounds:—

1. The temple authorities are stated to have not yet expressed their agreement to pay up Rs. 2456 The Matter is stated to be under Correspondence with the Nilgiris Commr

2. As for the new work, rules require that tenders should be called for. Accordingly, the Reduction does not consult the financial interests of the M.Cty

Thus Aspect apart, it is not clear why the M.Cty decided on the Contractor's Market, let out the Contract & resiled ultimately. Why the temple authorities did not apply in time and whether the Whole Situation does not bespeak a hasty handling are some of the points on which the M.Cty seems to owe some explanation to Govt

Sd/- 22/1/42

Further information is necessary on the above points & when received they may be dealt with separately

9. The main object with which

NOTE—Contn Sheet

WD 04155—GPB—55 000—23 10 41

Serial No

the Municipal Council have resolved to give away work to the contractors appears to be that the latter may be dissuaded from taking action against the MOH in a court of law. The work of constructing the market was entrusted to the contractors & they have built the foundation and collected the materials at site, whatever the circumstances under which the work was stopped might be, there is no default on the part of the contractors and as such, he would have a cause of action for damages against the MOH with a view to avoid the unpleasant situation the MOH seem to have made this proposal in the circumstances, the result is for orders.

11 In this connection, it may also be mentioned that, while the value of the original work entrusted to the contractors was only Rs 10,006/85, it is not clear why work to the extent of Rs 16000 should be given to them in addition perhaps to the payment of Rs 2756/- for the work already done A reference

Serial No

may perhaps be made to the Municipal Commr on this point, as to why work costing only Rs 10000/- may not be given to the Contractor, if it is decided to approve the resolution of the Municipal Council

From the Secl Commr, Bdlgr, thro Dy
No A2 705/41-42 Dy 7-3-42.
Forwards the report called for
It is stated that the final revised estimate for the work relating to the Construction of a Market at Malleswaram was for Rs 16,200, and that the tender of Mr Ramachandra Rao was for Rs 10,000-8-0 when the sanctioned estimate was for Rs 14,200/- & it is proposed to entrust the work to the extent of Rs 16,000/- to Mr Ramachandra Rao as against the stopped portion of the work Costing Rs 16,200/- for the Construction of the Market at Malleswaram in addition to the work already done at a cost of Rs 2756
The Connected records are also put up
WHO 18/3 Submitted with reference to para 13 below
Dy 13/3 The estimate for the construction of the municipal market in Malleswaram was sanctioned by the Govt in Go dated 3.3.41 The lowest tender of Mr N. Ramachandra Rao was accepted for Rs 10,000/-
Work was done by him to the extent of Rs 2756/- & some materials also collected on the spot.
At this stage, there was a protest from the authorities of the Municipality

Serial No

Instructions attached opposite to the proposed construction to the effect that the sanctity & cleanliness of the locality would be spoilt if it is built on the said spot work was accordingly stopped & the authorities were informed that the land would be given free to the extent of a sum of Rs. 2756/- being the cost of the work executed is deposited

2/ When the Contractor was intimated of this fact, he applied to the Md to that he should be put to much loss if the work is stopped especially when the materials are collected. On considering this, the Md be have resolved that, as a set off, the Contractor may be given work to the extent of Rs 16,000 out of the works in the newly formed layout near to Swimming Pool at Malleswaram Sanction by may be sought to this proposal.

3/ The Md could state in his D.O. letter dated 12/ Curr

NOTE—Contn Sheet

that tenders may be called for for the work if that is not done, there would be a loss to the extent of Rs four to five thousand rupees

Rs As against the work for which tenders were accepted for Rs 10000/ it is now proposed to give him work worth Rs 16,000 + Rs 2758/ for work already executed for the market site Total Rs 18,758/. The Municipal Dept has not yet deposited the sum Rs 2758/ also

11. It is seen from the records that the contractor has not executed the Architect's as required for the execution of the market work. The stopping of the work was not due to fault on the part of the Contractor. It is for consideration if he could claim any damages for asking him to stop from his work for which tenders had been accepted It is for orders if the works may be accepted in view of the cuts reported

Encs PB 3/7

W.D. 1120 GPO 30 000 8-11-42

Letter No H2-221/44 dy 27-1-45 from the
ml Commrs Bangalore City requesting
sanction to the acceptance of the tender
of Mr N Ramachandra Rao for Rs 1,29,009-
9-0 for the formation of roads & drains
in the Layout newly formed near the
Malleswaram Swimming Pond.

4) In response to the notice calling for
tenders for the work in question Messrs
Mr N. Ramachandra Rao & Messrs G.
Beerappa & D Venkataramanappa
submitted their tenders for Rs 1,34,031-8-0
& Rs 1,29,609-9-0 respectively. Messrs
Beerappa & Venkataramanappa pleaded
their inability to do the work &
requested the refund of their deposit
amount which was accordingly
refunded. The ml Engineer recommended
that the work might be entrusted to
Mr Ramachandra Rao at the lowest
tendered rate of Messrs Beerappa &
Venkataramanappa except in regard
to the Granite metal for which, the
current year's divisional rate might
be given on the ground that the prices
of building materials were going
up day by day etc

5) The recommendation of the ml
Engineer was approved by the

Formation of Roads & Drains in the Layout newly formed near the Malleswaram Swimming Pond

Continuation Sheet Ml File No 5124 / Current No 2 of 44 Page

Ml Council at their meeting held on 15-12-44. From the Ml Engineer's report it is seen that Mr Ramachandra Rao is agreeable to undertake the work at the lowest tender rates of Messrs Beeraffa & Venkataramanappa.

51) Submitted for orders with reference to para 45 supra

52) It is seen from the records that the estimated cost of the work viz of forming roads & drains in the "B" block of the newly formed layout near Malleswaram Swimming Pond was Rs 33,411/-

53) Tenders were called for and two Contractors have submitted tenders as follows.

1 Mr N Ramachandra Rao — Rs 1,34,031/8/-

2 Messrs Beeraffa & D Venkataramanappa — Rs 1,29,069/9/-

54) No 2 have pleaded inability to execute the work at the rates quoted by them & the deposit amount is stated to have been refunded to them

55) It is now recommended that in the circumstances the work might be entrusted to Mr N Ramachandra Rao (No 1) at the lowest rate tendered by Messrs D Venkataramanappa & Beeraffa subject to certain conditions namely first is subject as the tender amount exceeds Rs 15,000/- as laid down in Sec 41(5)

Calls for some information
Letter NO A2-221-102/44 dt 3-4-45
from the ml Comm, Bcig forwarding a report received from the ml Engineer explaining the circumstances under which the tendered amount has exceeded the estimated cost of the work.

61 The report of the ml Engineer flagged "A" gives the full details of case

62 subd with reference to para 58 supra

63 A petition received from Messrs Y Doreraspa & D. Venkataravanappa requesting that the above contract may be given to them etc; so also put up detailed note as necessary, answering the points raised in the Minister minute dated 13 2 45
16/4/45

5) An estimate for Rs.33,411 was prepared by the Municipal Council, Bangalore City for the formation of roads and drains in the "B" Block of the newly formed layout near the Malleswaram Swimming Pond Tenders were called for for the works in the month of March 1942 Three tenders were received, The lowest being that of Messrs B.Krishnappa & A.Hanumareddy The cost of the works amounted to Rs 29,685/- as per tender rates. But the Municipal Council resolved on 29-4-1942 to entrust the entire work to Mr N Ramachandra Rao, at the lowest rates tendered by the above contractors, to enable him to make up the loss sustained in the Malleswaram Market Works as a result of the protest by the authorities of Sri Gopala Krishna Swami Temple When the resolution was sent up to Government, an enquiry was made if Mr N.Ramachandra Rao would be agreeable to take up the work as per Council's Resolution Mr.Ramachandra Rao said that he would do the work only at the prevailing market rates. The subject was therefore placed before the Council, who resolved on 15-4-1943 to call for fresh tenders and the Government also agreed to this proposal.

6) For the second time, tenders were called for, fixing the last date as 16-7-1943 and no tenders were received even though the time was extended up to 30-7-1943

7) For the third time, tenders were called for on 17-10-43 and only two tenders were received : Messrs D Venkataramanappa and Beerappa's tender was the lowest, amounting to Rs.1,29,009/- Then contractor Mr Ramachandra Rao put in an application to the President, stating that if he was entrusted with the work at his rates, he would not claim

Tender for the Construction of Road & Drains in the Layout near the Swimming Pool Malleswaram

C F 69]

Continuation Sheet — File No / Current No 5/24 V 65 of 01 — Page

for any enhanced rates for the works or claim for any loss sustained by him in the construction of the Malleswaram Market In the meanwhile Messrs D.Venkataramanappa and Beerappa urged for a refund of their deposit and the same was refunde 69) Then Mr N.Ramachandra Rao presented his application to the M[unicipal] Committee on 20-10-44 agreeing to undertake the work at the lowest rate tendered by Messrs. D Venkataramanappa and Beerappa, provided he was paid the current year's rate for the supply of granite metal — The Municipal Council approved the terms of the contract on 12-12-1944 and submitted the same to Government for sanction — The estimated cost of the work as per his tender comes up to Rs 1,37,504/- - The differenc between the estimate and the tendered cost is Rs 1,04,093/- and it is said to be due to the enormous increase in rates particularly items (1) collection of granite material, (2) Burnt stone slabs, (3) Consolidation of gravel and metal (vide comparative statement appended) The cost of the work will be roughly four times the original tenders 69) There is no change in the estimate nor in the specifications of the items of the work The estimate provides for constructing maccadam roads and "V" shaped side drains with stone slabs and protecting the sides of roads with pitching

vide papers furnished by H.C. Engineer (Dept 7)

W

70) The petition received from messrs Y Beerappa & D Venkataramanappa, praying that the work may be entrusted to them is put up But they have taken back their deposit

4188/L CITY MUNICIPAL OFFICES
BANGALORE
Dated 12th January 1942

GEN & R...
...
S G B BRANCH

Dear Mr Narayana Rao,

Referring to my letter of even number ~~xxxx~~ and date (copy enclosed), forwarding for favour of orders of the Government, a copy of the Council resolution dated 22-12-1941, in the matter of entrusting works to the extent of about Rs 16,000/- in the newly formed lay-out near the Swimming pond at Mallesvaram, to contractor Mr N Ramachandra Rao, I write to state that no reply has yet been received from the temple authorities as to their willingness or otherwise to deposit the sum of Rs 2756/- as per Council resolution and that the matter is still under correspondence with the Muzrai Commissioner In case, the amount is deposited, it can be utilised to settle the claim of the contractors for the work done so far Otherwise, the question of executing further work or disposing of the site with the structure thereon in any other manner profitable to the Municipality will have to be considered in due course It seems that it is too premature to come to a ~~xxxx~~ definite settlement in the matter, now alone Besides no work costing more than Rs 500/- can be executed without calling for tenders, as per rules

I have brought these facts to the kind notice of Government for favour of such orders as they deem fit in the matter

Further

Further in case tenders are invited for executing work the estimated value of which is Rs.16,000/-, I expect a saving of about four or five thousand rupees The disposal at estimated rates of the work as proposed by the Council will result in a loss to that ,extent

Yours Sincerely,

H V Narayana Rao,Esq ,B A ,LL.B ,
Law Secretary to the Government of Mysore,

SIR

With reference to your letter No.L 6738 dated 4-2-1942, calling for certain particulars in connection with entrusting to Mr N. Ramachandra Rao, Contractor, works to the extent of Rs.16,000/- in the lay out near the Mallesvaram Swimming Pond, I have the honour to state that, as already intimated in my letter No A2.705/41-42 dated 12th January 1942, the Council have resolved to entrust to the said contractor, works to the extent of Rs 16,000/- in full satisfaction of his claims towards stoppage of further construction of the work of the Mallesvaram Market This is in addition to Rs.2,756/- to be paid to the contractor on receipt from the Muzrai Department The Muzrai Commissioner has been requested in this office letter No A6.1406/40-41 dated 19-10-1941 to arrange to deposit the said sum of Rs.2,756/- His reply in the matter is awaited.

The original estimate for the construction of the Mallesvaram Market was for Rs 14,200/- as sanctioned in Government Order No.L 6438-40/M1 47-40-80 dated 3-3-1941 The lowest tendered rate was for Rs.10,000/8/- When the work was started, some deviations were found necessary The estimate was therefore revised to Rs 22,000/- This estimate was further revised to Rs 16,200/- omitting some items, so as to keep down the cost The estimate was not sanctioned So, the work was stopped The papers relating to the contract for the construction of the Market at Mallesvaram, are herewith forwarded fc favour

for favour of reference and kind return, when done with.

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with compliments.

Malleswaram

Respected Sir,

Ref:Tender for housing the poor lay out near Malleswara swiming pool and Bangalore City Municipal council aganda for April 1942 to be held on 20th April 42, Item No 119

May I bring to your kind notice a few facts with the above above noted subject

The Municipal Engineer, Bangalore City Municipality called for Tenders for the above noted work for which three tenders were received My tender (Jointly with one Mr A Hanuma Reddy) was the lowest

The executive officer recommended to the council to accept my tender It appears in the managing committee recommended to the council to give road works to one Mr Ramachandra Rao and drain works to me at their tendered rates Admittedly the rates quoted by Mr Ramachandra Rao is much higher than my tendered rates

When the subject came before the council on 29-4-42, the whole work was given to Mr Ramachandra Rao in preference to me, though my tender was the lowest No reasion was given for ignoring my tender

May I ~~request~~ submit, that the attitude of the Municipal council is against all principal, justice and fair play I may submit, that I was the represetative of Messrs P S Char & Co, Engineers & Contractors, Bombay I have done several works both in P W D and in Municipality Most of the works in Wilson garden extension and Kumara Park extension are being done by me In the Buildings Division, Bangalore, several urgent important works were entrusted to me and they have been done to the best of satisfaction of the Authorities

I honestly feel that injustice has been done to me and the council

P T O

council is not impartial There is no other course open to me except to approch the Government through your good self and the minister so that the resolution of the council is not approved by the Government and you will be pleased to do the needful in the matter in the intrest of justice.

Copy submitted to the minister for local self government for kind enquiry and needful action.

I beg to remain Sir,

Your most obedient servant,

B Kunnaiah

Subject - No 119 -

Opinion of the Managing Committee dated 9-4-42 that the work of formation of roads in Housing the Poor Scheme near Malleswaram Swimming Pool may be given to Mr Ramachandra Rao and that of drains to Messrs B Krishnappa and A Hanumareddy at their tendered rates

Mr V K Govindarajulu Naidu moved that the whole work be entrusted to Mr N Ramachandra Rao if he undertakes to take up the work at the lowest tendered rate

Mr C N Narasinga Rao speaking on the subject said it was not a healthy principle to entrust a work at the lowest rate of another contractor It was frustrating the very principle of calling of tenders and it was but right that only the lowest tender should be accepted

Mr H C Suryanarayana Rao explaining the entire affair, said that the Council had previously resolved to give Mr N Ramachandra Rao work to the extent of Rs 16,000/- in this particular place just to compensate the loss sustained by him on account of stopping the construction of the Market at Malleswaram, which contract had been entrusted to Mr Ramachandra Rao It would have been better that while calling for tenders, work to the extent of Rs 16,000/- should have been omitted So, the action of the Council in entrusting the whole work to Mr Ramachandra Rao was justified

Mr V K Govindarajulu Naidu said that tenders were usually called for all major works and it was within the discretion of the Council to accept the lowest tender or not The lowest tender need not necessarily be accepted

Mr G Nanjappa speaking on the subject said that the work of Mr Hanuma Reddy was very unsatisfactory and some of the works done by him had to be re-done as could be testified by the Municipal Engineer

Mr V Venkataswamy Setty speaking next observed that it was easy to find flaws in the work of the contractors in some portion or the other of the work But the work turned out by Mr Hanuma Reddy was all done during the regime of the previous Council So, it was not a good point to be raised now On the other day, when

when that Division was inspected, the President had pointe- some works done by Mr Ramachandra Rao, which were unsatisfactory This work was proposed to be given to Mr Ramachandra Rao simply because the construction of the Market in Malleswaram was given up and a promise was held out to him by the Council to give him work to the extent of Rs16,000/- in this layout It was for this reason only that Mr Govindarajulu had moved that the work be given away to Mr Ramachandra Rao at the lowest rate

Then the proposition of Mr V K Govindarajulu Naidu that the entire work be entrusted to Mr Ramachandra Rao at the lowest rate tendered by Mr Hanuma Reddy was put to vote and carried, only Mr C N Narasinga Rao dissenting

Sd K Hanumanthaiya
Honorary President

Letter dated 30-10-1942 from Mr N Ramachandra Rao, Contractor, Bangalore to the Municipal Engineer, Bangalore City Municipality, Bangalore

---

With reference to your endorsement No D G1 328/41-42 dated 16th October 1942, I beg to bring to your kind notice that the tender for the layout near the Malleswaram Swimming Pond was submitted by me about seven months back, which was not accepted Even now I cannot undertake the work at my tendered rate as the rates of all the materials required to carryout the work as per the prevailing market rates

Secondly I submit that my claims pertaining to the work executed by me for the market in the Malleswaram Extension, Bangalore, I submit that this has no hing to do with the layout near the Malleswaram Swimming Pond and my claims exists till they are settled

Under the circumstances, I request you to be good enough to settle the claims of mine towards the work executed by me for the market at Malleswaram ex ension

Thanking you,

SIR

Re the acceptance of terder for the formation of Roads and drains in the layout newly formed near Malleswaram Swimming Pond

---

1 I have the honour to state that, as required in your letter No L.182/M1 dated 6-7-1943, fresh tenders were called for, for the work of forming roads and drains in the "B" Block of the newly formed layout near Malleswaram Swimming Pond, estimated to cost Rs 33,411/- as noted in the comparative statement of tenders Only two tenders were received - one from Mr N Ramachandra Rao, for Rs 1,34,031-8-0, and the other, from Messrs Y Beerappa and D Venkataramanappa, for Rs 1,29,009-9-0. Subsequently, the latter pleaded their inability to execute the work at the rates quoted by them, and in consequence, the deposit amount paid by them was refunded The Municipal Engineer recommended that, in the circumstances, the work might be entrusted to Mr N Ramachandra Rao, at the lowest rates tendered by Messrs D Venkataramanappa and Beerappa except in regard to granite metal for which, the recommendation is, that the current year's divisional rate might be given, on the ground that ~~price~~ the prices of building material were going up day by day and that there would be a further delay in taking up the work, if fresh tenders were to be called for The recommendation of the Municipal Engineer, was approved by the Municipal Council, at their meeting held on 15-12-1944

2 A copy of the Council resolution is herewith forwarded for favour of obtaining the sanction of Government thereto, as the tender amount exceeds Rs.15,000/- A copy of the Municipal Engineer's report is also enclosed for favour of reference, with the comparative statement of tenders

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with Compliments

Proceedings of the Meeting of Council Dated 15-12-44.

Additional No 7

Municipal Engineer's report that the work of forming roads and drains near Malleswaram Swimming Pool "B" Portion, may be entrusted to Messrs Ramachandra Rao & Bros at the lowest tender rates given by Messrs D Venkataramanappa and Beerappa, except for granite metal for which he may be given the current Year's division rate

Resolution - APPROVED

Sd C N Narasinga Rau

Honorary President

"C O P Y"

MUNICIPAL COMMISSIONER

Report No.D T 6/43-44/11-11-44/Two dated 26the October 1944 from the Municipal Engineer, City Municipality, Bangalore to the Municipal Commissioner, Bangalore City Municipality, Bangalore.

Subject - Formation of roads and drains near Malleswaram swimming pond "B" portion in connection with the scheme of Housing the poor

---

Kind reference is invited to Memo No D1-6/43-44 dated 17th October 1943, submitting detailed report in the matter for orders A copy of office note is also enclosed

No orders have been passed on the subject Messrs Venkataramanappa and Beerappa applied for refund of their earnest Money, subsequently and this has been recommended to the Municipal Commissioner as per Commissioner's Memo No A2-C 96/41-42 dated 2-8-1944.

As the question of entrusting the work is pending from a pretty long time and buildings are springing up almost daily, the work has to be taken up immediately and completed at least during the current year

The application dated 20-10-1944 presented by Mr M Ramachandra Rao is enclosed He has agreed to undertake the work at the lowest rates tendered for by Messrs D Venkataramanappa and Beerappa except for granite metal for which he wants to be given the divisional tender rate of the division for the current year The lowest rate quoted by the party for the supply of the metal by Messrs D Venkataramanappa and Beerappa is Rs 8/-per Cyd. Whereas the current year's tender rate for the Malleswaram Division is Rs 12/-Cyd As the rates are going up higher and higher day by day, it is not advisable to call for fresh (third time) tenders as it would also delay matter further

As the Contractor Mr Ramachandra Rao and Brothers are capable of doing the above work efficiently and in time, his application is recommended The matter may kindly be placed before the Council for approval and orders

Municipal Commissioner

for approval and orders communicated early

SIR

Re the acceptance of tender for the formation of Roads and drains in the layout newly formed near Malleswaram Swimming Pond

---

With reference to your letter No L 8468 dated 23rd February 1945, regarding the above, I have the honour to forward herewith for your information a copy of the Municipal Engineer's report No 6 dated 19-3-1945, explaining the circumstances under which the tendered amount has exceeded the estimated cost of the work and to request that sanction of Government may be obtained to the tender of Mr N Ramachandra Rao, as resolved by the Council

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Memo No DT 6/43-44 dated 19th March 1945 from the Municipal Engineer, Bangalore City to the Municipal Commissioner, City Municipality, Bangalore

---

Regarding Tenders for the formation of roads and drains in the layout newly formed near the Malleswaram Swimming Pond., M.C. Memo No A2-221/44 dated 28th February 1945

"A" Submitted to the Municipal Commissioner - In the month of March 1942 tenders were called for, for the works, for the first time. Of the three tenders received the lowest was that of Messrs B. Krishnappa and A. Hanumareddy The cost of the works worked out to Rs 29,685/- as per tender rates The Council resolved on 29-4-1942 to entrust the entire work to Mr N Ramachandra Rao, at the lowest rates tendered by Messrs B. Krishnappa and A Hanumareddy to make up the loss sustained in Malleswaram Market works as a result of protest by the authorities of Sri Gopalaswami Temple When the resolution was sent up to Government they were "B" pleased to order to enquire Mr N Ramachandra Rao, whether he was agreeable to take up the work as per Council resolution On enquiry Mr. Ramachandra Rao said that he would do the work only at prevailing market rates The matter was placed before the "C" Council who resolved on 15-4-1943 to call for fresh tenders and the "D" Government too agreed to do so (Law Secretary's letter dated 6-7-194

Tenders were called for the second time fixing the last date on 16-7-1943 Since no tenders were received the time was extended to 30-7-1943. Even then no tenders were received.

Again tenders were called for on 17-10-1943 for the third time and only two tenders were received Messrs D Venkataramanappa and Beerappa's tender was the lowest (cost coming to Rs.1,29,009) Mr N Ramachandra Rao put in an application to the President, stating that if he was entrusted with the work at his rates, he would not claim for any enhanced rates for the works or claim for any loss sustained by him in the construction of Malleswaram Market

In the meanwhile, Mr D Venkataramanappa and Beerappa urged for refund of their deposit and the same was refunded as per Commissioner's Order No A2-C 961/41-42 dated 2-7-1944.

Then, Mr N Ramachandra Rao presented his application on 20-10-1944, agreeing that he would undertake the work at the lowest rates, tendered by Mr D. Venkataramanappa and Beerappa, provided he was paid the current year's divisional rate for one item of work viz , the supply of granite metal The Municipal "E" Council approved the terms of contract of Mr N Ramachandra Rao on 12-12-1944.and submitted to Govt for sanction

The estimated cost of the work as per tender of the contractor Mr N Ramachandra Rao will be Rs 1,37,504. The difference between the estimate and the tendered cost is Rs.1,04,093 ~~is~~ and it is due to the enormous increase in rates particularly items (1) Collection of granite metal (2) Burnt stone slabs (3) Consolidation of metal and gravel The cost of the work will be roughly four times the original estimated amount

The estimate provides for constructing maccadam roads and "V" shaped side drains with stone slabs and protecting the sides of roads with pitching There is no change in the estimate nor in the specifications of the items of work

"Copy"

OFFICE OF THE MINISTER
FOR REVENUE & LAW
No. P.1760
Date 6-10-45

To

The Minister for Revenue and Law,

Government of Lysore, Bangalore.

Sir,

We beg to bring to your kind notice the following facts for your Kind consideration and favourable orders -

We beg to state that on 30th July 1943 we submitted our tender addressed to the Municipal Engineer for laying out roads and construction of Drain near the Swimming pond at Lallesvaram and also deposited a sum of Rs one thousand six hundred along with our tender as per rules

2) We waited for one year and three months but no reply was received in the matter On our personal enquiry with the then President, we were informed that the work will not be taken up at present and that we can withdraw our deposit amount.

3) Believing their words, we withdrew our deposit amount after a period of one year and three months from the date of our tender Now, we understand that the question of taking up this work is on hand and has been thought of entrusting it to another contractor who rate is higher than our tendered rates

4) In this connection we humbly request you to consider our position for having deposited the required amount and waited for nearly one year and three months It is a strange thing that the authorities should consider to entrust the work to another contractor, after such a long time and that too after withdrawing our deposit sum as directed by the then President

5) We are ever ready to undertake the work at the rates submitted already and if desired the required deposit amount will also be remitted once again

P.t o

Awaiting your early orders For which act of kindness and timely help, we shall ever remain grateful.

We beg to remain,

Respected Sir,

Your most obedient servants

Proceedings of the meeting of the Bangalore City Municipal Council dated 27-6-46

Subject: Letter No L.11126 dated 15-5-45 from the Law Secretary calling for the [illegible] opinion of the Council re. the taking up of the work of forming roads and drains in the layout near Vallesvaram Swimming Pool in view of the increase in rates and costs. Also Commissioner's opinion that this may be put off till next year

Resolution: Mr. M.K. Narayana Iyengar moved that the work be taken up immediately either departmentally or by calling fresh tenders since a number of houses have already sprung up and the residents are pressing for the same and necessary provision be made in the Budget. Mr. Suryanarayana Rao seconded the above. After some discussion the proposition of Mr. M.K. Narayana Iyengar was put to vote and passed

SIR,

I have the honour to state that as desired in your letter No L 4389 dated 29-11-1945 fresh tenders were called for, for the formation of roads and drains in the layout newly formed near Malleswaram Swimming Pond

2 Tenders were received from five persons for this work, the tender of Mr N Subbaiah being the lowest for Rs 69,091/- and the same were placed before the Managing Committee which at its meeting held on 25-2-1946 resolved that in view of the several representations of the people residing in the layout to get works completed very early, the entire work be distributed equally between contractors Messrs N Ramachandra Rao and N Subbaiah provided the former accepts the work at the lowest tendered rate

3 The Municipal Council at their meeting held on 28-2-1946 have approved the opinion of the Managing Committee with the remark that in case Mr N Ramachandra R declines to take up the allotted half of the work, the entire work may be given to Mr N Subbaiah

4 Copies of the resolutions of the Managing Committee and the Municipal Council are herein enclosed for favour of obtaining sanction of Government to the latter

p t o

5. The tender applications are herein enclosed fo: reference and return when done with.

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Tenders for the formation of roads and drains in the layout newly formed near the Halleswaram Swimming Pond

Sir,

With reference to the correspondence ending with your letter no A2 PR 221-C 1027/44 dated 15-3-46 on the above subject, I am directed to observe that the tender is very high, being 10% higher than the estimate amount, as

The sanctioned estimate for the work is Rs 33,272-
while the lowest tender is for Rs 69,091-
I am therefore to request to know

whether the work in question can be

considered as urgent and cannot be

postponed till conditions become easier

and the rates show signs of appreciable

reduction

By
Mail
(d/- 3.4.19)

The tenders are herewith returned.
This might be treated as very urgent
& there is
no
hurry

SIR

With reference to your letter No L 11493/W R dated 24-4-1946 desiring to be intimated whether this work cannot be postponed till conditions become easier and the rates show signs of appreciable reduction, I have the honour to state that your letter under reply was placed before the Municipal Council They have at their meeting held on 24-6-1946 resolved as follows " This Council is of opinion that since considerable time has already elapsed and there is no prospect of the rates going down in the near future, the previous resolution be given effect to by Government"

2 A copy of the said resolution is herein enclosed for favour of orders of the Government The tenders are enclosed

Proceedings of the meeting of the Council dated 24-6-1946

Subject 11 Letter No L 11493 dated 24th April 1946 from the Revenue Secretary that the tenders received for formation of roads and drains in the layout near Swimming Pool, Malleswaram, are heavy and whether it is not possible to postpone work till conditions become easier and rates reduce

--

Mr G Nanjappa observed that this was an extention laid out by the Municipal Council some time back and though the Municipality had given away sites, no attempt had been made to form roads for drains and give other facilities in this area where houses had come up The Municipality had a duty to perform in this behalf and should not hesitate to do it even though it meant a little extra So the Government should be requested to accept their resolution and work order may be issued to the contractor to go on with the work

Mr H C Suryanarayana Rao supporting Mr G Nanjappa observed that having formed the layout, it was the duty of this Council to provide civic amenities like roads, drains etc , in that area while the Municipality was insisting upon roads, drains etc , being formed in the private layouts before disposal of sites, it was a disgrace that a municipal layout had been deprived of these amenities Since it was their duty to provide for these things, they should take it up at any cost not minding the amount involved

Mr M K Narayana Iyengar, also supported the views of Mr G Nanjappa and said that the position of the residents in that area was very miserable They were living in a very bad area and it was better they gave them the facilities early They should not simply put off this on the mere question of cost

Mr M Krishnaswami Pillay also said that the question of cost did not come in as the Municipal Council had delayed in giving these amenities to their layout The condition of the residents in that area was far from satisfactory and unless they gave these people these amenities immediately, the matter ~~may be~~ would grow rather serious

Mr D Venkataramanappa observed that though it was their duty to provide these amenities to the people, yet they should not forget the cost involved since they had to utilise the public money for the purpose The Government have not turned down their proposal but have suggested that the matter may be delayed for some time to save public money as they expect the rates to go down So there was no need to hurry in this matter

Mr S Krishnappa observed that the sites in this extension were given for upset prices by the Council and that the amount realised by the Municipality by the grant of the sites was far short of the amount they had to spend on civic amenities So while spending money on such things, they should also consider the financial implication After all the Government wanted them to wait for a couple of months when the prices were likely to go down So they might accept the view of the Government

Mr H C Suryanarayana Rao informed the Member that when sites were given for upset prices, the upset price fixed was in accordance with the prevailing rates of those days

Messrs G V Ramachar and D Venkataramanappa observed that since the prices were going down, it was better they put off the matter for some time as suggested by Government

Mr M K Narayana Iyengar opposing the above said that even in the

in the Trust Board Act it was definitely mentioned that until roads and drains etc., were formed, no sites should be sold etc. This extension was laid out long back and houses had come up. The residents were undergoing great hardship for want of roads, drains etc So they should not mind the cost when the need for these things was very keen The need of the locality should weigh more than any other consideration

Mr M V Veerappa also opposed the idea of delay and said that as things stood, it was clear that there was no sign of the rates coming down On the other hand, there was a tendency for the rates to go up

Messrs K R.Papiahraju and Ramalal Thiwari wanted fresh tenders to be called for after some time and Messrs. Narasimha Sastry and C N Narasinga Rao opposed the idea of putting off the present tenders

Then Mr C N Narasinga Rao moved that "this Council is of opinion that since a considerable time has already elapsed and there is no prospect of the rates going down in the near future, the previous resolution be given effect to by Government".

Mr. M Y Narayana Iyengar seconded it and Mr. A J Khaleel supported it and it was passed

Subj - Tenders for the formation of roads and drains in the layout newly formed near the Malleswaram Swimming Pond

Sir,

With reference to Your letter no A2P R-231-C 1037/46 dated 11-7-46, requesting approval to the resolutions dated 28-2-46 and 24-6-46 of the city Municipal Council to distribute the above work between the contractors Messrs N. Ramachandra Rao

and Bros and Mr Subraiah, at the lowest tendered rates, I am directed to enquire whether, in view of the fact that the tendered rate is 109% higher than the estimate amount, the above work is considered as very urgent and cannot be postponed till the rates come down to normal.

2) Whether Contractor Mr Ramachandra Rao is agreeable to take up the allotted half of the work, at the lowest tendered rates quoted by Mr Subraiah, Contractor, may also be ascertained and reported

Yours faithfully
